Electric start with LED status indicators

Quick access controls

Foldable handle design for easy storage and transportation

MODEL	PO400D
Dimension - LxWxH (mm)	1,050x720x1,500
Operating weight (kg)	400
Plate size - LxW (mm)	910x700
Vibration frequency (Hz)	70
Centrifugal force (kg)	6.2
Compaction area (m <sup>2</sup> /h)	850
Compaction depth (mm)	1,100
Max gradeability (°)	20
Max working speed (m/min)	25
Engine options	Hatz 1D41 @ 6.4kW (8.7hp) 4-Stroke Diesel

## Features and Benefits

- \* Low noise and fuel efficient Hatz 1D41 diesel engine makes the best engine choice
- \* Side panels have been redesigned to increase the amount of airflow while protecting the engine compartment.
- \* Foldable handle saves space during the transportation process
- \* Centrally located lifting hook to ensure safe lifting of the compactor
- \* Dual directional travel, increases the maneuverability of the heavy duty compactor
- \* Ergonomically designed handle for easy maneuvering and handling of the compactor
